Discuss lighting options including: Metal Halide, LED, and Solar, for the entrance into the City of Sachse Municipal Complex off of Sachse Road.

*Executive Summary*

*City Council has requested that staff investigate lighting options at the entrance to the City of Sachse Municipal Complex off of Sachse Road. At night this entrance is difficult to see, lighting the entrance would assist City Hall customers and make the area safer. We will discuss using several different options including: Metal halide (currently used at the campus), LED and Solar lighting.*
